

Trav Kot

Another one of our favourite "hang out spots" is the peaceful bamboo-huts on the water in Trav Kot. Bring a book and relax in hammocks the whole day. Also here - very few tourists visits this place. Bring picnic from Babel and some wine or beer. Or try the local food they sell at the small market there, chicken, fish, fruit, frog - you name it.

This place is situated about a 30-40 minutes drive from Babel. We can assure you the place will bring you peace.
