

Babel special sunset Tour

if you buy your ticket to the Angkor Temple complex the day before you plan to visit, you will get a sunset in the area for free. We know a beautiful little peaceful spot to enjoy the sunset, where you definitely will not meet any other tourists, and you will get a beautiful little temple for yourself. It's a 30 minutes walk to get there.

Bring a meal from Babel Guesthouse, and maybe some wine or beer, and enjoy the peaceful sounds of the jungle and the river around Angkor Thom!!
