

Flight of the Gibbon

Explore pristine 1500 years old rainforest from high in the treetops. This way you will see the jungle through the eyes of a Gibbon! From ziplines to sky bridges to platform lookouts to abseiling down from tall trees, you will explore several kilometres of rainforest from all sort of unusual directions. This sight is located in the heart of Angkor Archaeological Park, only 30 minutes from Siem Reap.

10% of the profits go to Gibbon Rehabilitation Programmes and other conservation projects.

Included in the price: pick up from Babel Guesthouse, daypass to the temples, canopy adventure tour, nature trail walk, Round Trip Transport and Khmer lunch in a nice local restaurant.
